If a registered participant/team raises at least \$5000, we will donate 75% of your total funds raised to the approved charity of your choice. The charity must be a registered 501c3 breast cancer/breast health charity in good standing.

To request approval for a charity to be designated as the recipient(s) for your fund-raising efforts, please complete the following form. It will be submitted to the Board of Directors for the Pledge the Pink Foundation for approval.

**The Fine Print**

The mission of the Pledge The Pink Foundation is to provide breast cancer screening, treatment, and research; as such, all funds must be designated for one of these activities.

Specifically, our focus is funding mammograms, biopsies, clinic trials, research labs, and diagnostic equipment.

Because we must provide financial accountability for every dime we donate, please understand that we cannot provide direct financial assistance or care packages to patients or families.
