*Note: Fundraising teams and Event teams are separate and not connected in any way*

## Creating or Joining a Fundraising Team

You can either create or join a team at the time of creating your fundraising page or at a later stage on your fundraising page edit drawer.

The screenshot shows a fundraising page edit drawer titled "My fundraising page". At the top, it says "FUNDRAISING PAGE". Below the title, it greets the user: "Hey Mel, welcome to your fundraising page!". A message follows: "Here are some quick details and links to help you manage your page. Don't worry, only you can see this information." There are two main action areas: "Need to make changes to this page?" with an "Edit this page" button, and "Want to thank your donors?" with a "View your donations" button. A central box, highlighted with a red border, is titled "Create or join a team:" and contains a "Create or Join a Team" button. At the bottom, there are two sections for sharing links: "Your shortlink:" with the URL "https://pledgewith.me" and a "Copy" button, and "Your full URL:" with the URL "https://donate.pledge" and a "Copy" button. A footer bar at the bottom of the drawer says "↓ Your public page starts here ↓".

## Enter a team name and a fundraising goal for your team

By creating a team, you become the team captain and only you will be able to make edits to your team details and goal.

The screenshot shows a four-step progress bar at the top: 'CREATE OR JOIN', 'TEAM INFO' (the current step), 'TEAM PICS', and 'CONFIRM'. The main heading is 'ENTER YOUR TEAM INFO'. The first section is 'Enter your team name: \*' (Required), with a text input field containing 'eg. Laura's 2019 Fundraising Te' and a character count of '0 of 80 max characters'. The second section is 'Enter your story or page description: \*' (Required), with a text area containing 'Tell your story here...' and a character count of '0 of 400 max characters'. The third section is 'Set Your Team Fundraising Goal: \*' (Required), with a text input field containing 'eg. 5000' and a prompt to 'Set your team fundraising goal for 2019.'
